HIS APPROACH TO CARE

Clinical Philosophy

This section will display Zacc Kim's full clinical philosophy — sourced from the provided DOCX file (진료 철학_260626_174559.docx). The English version is ready and will be structured as multi-paragraph prose.

The philosophy will cover his holistic approach to patient care, his belief in the complementary role of TCM alongside Western medicine, and his particular dedication to serving elderly patients who may have difficulty accessing clinic-based healthcare.

[Full English clinical philosophy from DOCX will appear here — content ready, awaiting software-engineer extraction at M04.]
