About the Clinic

Clinic introduction coming soon — content to be provided by Dr Zacc Kim.

This styled placeholder will be replaced with the practitioner's clinic introduction once provided. The layout and typography shown here represent the final design.

Treatment Areas

Bilingual treatment listings — final content from client. Placeholder names shown below.

Acupuncture

침술

Traditional needle therapy to restore the flow of Qi, reduce pain, and promote healing throughout the body.

Herbal Medicine

한약

Personalised herbal formulas prepared to support your specific constitution and health condition, sourced from traditional pharmacopoeia.

Moxibustion

뜸

Heat therapy using dried mugwort to warm and stimulate specific acupoints, particularly effective for cold and deficiency conditions.

Cupping

부항

Suction cup therapy to increase circulation, release muscle tension, and draw out toxins from the superficial fascia.

Tui Na Massage

추나 마사지

Chinese therapeutic massage using rhythmic compression and manipulation to relieve musculoskeletal tension and improve mobility.

Pain Management

통증 관리

Comprehensive TCM protocols for acute and chronic pain, combining acupuncture, herbal medicine, and manual therapies.

Aged Care & Rehabilitation

노인 돌봄 및 재활

Specialist TCM services for elderly patients in nursing homes and retirement villages, including post-stroke rehabilitation and dementia support.
